

Chalfont St Giles Parish Council

Find the message on the Christmas Baubles Competition Form (Children aged up to 11)

The Christmas Tree baubles have been given to the shops and businesses in the village, however they have been jumbled up and the special message on the baubles has been lost.

Please can you help us to find out the special message?

In the shop windows listed on the back of this form, you will see some pictures of Christmas baubles. On each bauble there is a letter. Write down the letters that you see in each window, then see if you can find a special hidden message. (You can get an adult to help!)

When you have found all of the baubles and chosen your favourite shop window, put your form into the Christmas present box in the Community Library or post through the letter box by **4pm on Friday 17th December**. **Winners will be drawn from the correct answers and contacted shortly afterwards.**

I think the best shop window is.....

Your Name.....Age.....Phone number.....

E mail (optional).....

Find the baubles in the shop windows and add the letters to the boxes below.

Shop Name	Bauble Letter
